

## Fla. Stat. § 456.043

Current through Chapter 1 of the 2024 session and through the 2023 C special session.

*LexisNexis® Florida Annotated Statutes > Title XXXII. Regulation of Professions and Occupations. (Chs. 454 — 493) > Chapter 456. Health Professions and Occupations: General Provisions. (§§ 456.001 — 456.62)*

### § 456.043. Practitioner profiles; data storage.

---

Effective upon this act becoming a law, the Department of Health must develop or contract for a computer system to accommodate the new data collection and storage requirements under this act pending the development and operation of a computer system by the Department of Health for handling the collection, input, revision, and update of data submitted by physicians as a part of their initial licensure or renewal to be compiled into individual practitioner profiles. The Department of Health must incorporate any data required by this act into the computer system used in conjunction with the regulation of health care professions under its jurisdiction. The Department of Health is authorized to contract with and negotiate any interagency agreement necessary to develop and implement the practitioner profiles. The Department of Health shall have access to any information or record maintained by the Agency for Health Care Administration, including any information or record that is otherwise confidential and exempt from the provisions of chapter 119 and s. 24(a), Art. I of the State Constitution, so that the Department of Health may corroborate any information that practitioners are required to report under s. 456.039 or s. 456.0391.
