Sec. 2054.577. Technology Improvement and Modernization Fund. [Expires September 1, 2025]

- (a) The technology improvement and modernization fund is a special fund in the state treasury outside the general revenue fund.
- (b) The fund consists of:
 - (1) money transferred or deposited to the credit of the fund at the direction of the legislature;
 - (2) money received from the federal government for the purposes of improving and modernizing state agency information resources;
 - (3) gifts, donations, and grants to the fund, including federal grants; and
 - (4) interest earned on the investment of money in the fund.
- (c) Money in the fund:
 - (1) may be used to improve and modernize state agency information resources, including legacy system projects and cybersecurity projects; and
 - (2) may not be used to replace money appropriated to a state agency for the purposes of operating and maintaining state agency information resources or reduce the amount of money appropriated to a state agency for those purposes.
- (d) Section 404.071 does not apply to the fund.
- (e) In this section, “state agency” has the meaning assigned by Section 2052.101.
