

R.I. Gen. Laws § 11-49.3-7

Current through Chapter 24 of the 2024 Session

General Laws of Rhode Island > Title 11 Criminal Offenses (Chs. 1 — 70) > Chapter 49.3 Identity Theft Protection Act of 2015 (§§ 11-49.3-1 — 11-49.3-7)

11-49.3-7. Notification of cybersecurity incident.

- (a) Any municipal agency or state agency that detects a cybersecurity incident shall provide notification to the Rhode Island state police upon detection of the cybersecurity incident within twenty-four (24) hours.
- (b) Any municipal agency or state agency required to make notification under this section and fails to do so may be liable for a violation as set forth in § 11-49.3-5.
- (c) The notification shall include, at a minimum, the following information to the extent known:
 - (1) A general and brief description of the incident, including how the cybersecurity incident occurred; and
 - (2) The date of the cybersecurity incident, estimated date of the cybersecurity incident, or the date range within which the cybersecurity incident occurred.
