

## **RSA 21-R:4-a**

Statutes current through Chapter 8 of the 2024 Regular Session.

*LEXIS™ New Hampshire Revised Statutes Annotated > Title I The State and Its Government (§§ 1:1 — 21-V:10) > Chapter 21-R Department of Information Technology (§§ 21-R:1 — 21-R:16)*

### **21-R:4-a. Duties of the Chief Information Security Officer.**

---

The chief information security officer shall be responsible for the following:

- I.** Chairing the cybersecurity advisory committee.
- II.** Developing, publishing, maintaining, and interpreting the statewide information security manual's policies and standards.
- III.** Developing, managing, and executing the statewide cyber disruption plan and an information security event response process.
- IV.** Staffing and training members of ESF-17 under the state emergency operations plan.
- V.** Identifying security requirements to limit the risks associated with identified executive branch business objectives as defined by the governor and the heads of state agencies.
- VI.** Providing information security subject matter expertise to the executive branch of the New Hampshire state government.
- VII.** Drafting and implementing an information security awareness and training program to be used by all state agencies.
- VIII.** Providing security metrics to track the performance of the information security program.
- IX.** Developing an information security governance and risk program, including, but not limited to:
  - (a)** Coordinating and conducting risk assessments of agencies and their information assets.
  - (b)** Conducting and managing vulnerability assessments of agency networks, applications, databases, and systems.
  - (c)** Conducting penetration tests of agency networks, applications, databases, and systems.
  - (d)** Conducting information security risk assessments of third parties with access to state of New Hampshire information assets.
- X.** Serving as the chief of the New Hampshire cyber integration center.
